### Reds 500ml carafe bottle

**d'Arrys Original** £24.00 £35.00

That good we are named after this one!! A classic in its best form. Dark and vibrant ruby red colour with a perfumed bouquet of red and black berries. A uniqueness coating freshness combined with flavours of red cherries, black plums, strawberries and herbs de Provence. Fine and velvety tannins are very integrated. An extremely savoury and long finish makes this wine irresistible. A d'Arenberg classic perfect for every occasion.

**The High Trellis** £24.00 £35.00

Convincing crimson-purple colour. The bouquet displays red cherry, bay leaf, spices and a hint of black pepper. The palate is a enticing mix of capsicum, licorice, blackberry and mulberry. Tannins are fine and well integrated. A serious Cabernet for the price that can be enjoyed anytime with pleasure and confidence.

**The Footbolt** £28.00 £42.00

Joseph Osborn was a successful racehorse owner and Footbolt was the pride of his stable. In 1912 he made the hard decision to sell his horses to purchase the d'Arenberg property. A swirl in the glass and fragrant aromas of dark plum, blackberry fruits, boysenberries, subtle black pepper and a touch of liquorice will come straight up. On the palate is where the wine becomes fascinating. Rich and opulent black fruits, plums, blackberries and boysenberries are intertwined with cured meat, mocha, peppery spices and a plush coat of red cherries.

**Feral Fox** £28.00 £42.00

The feral foxes that inhabit the Adelaide Hills have developed an appetite for grapes and can often be found eating low hanging bunches during vintage. A beautiful red ruby colour. A basket of strawberries and fresh cherries straight away on the nose. Pomegranate, red fruits. Prominent strawberries still here on the palate.

## The Galvo Garage

500ml carafe	bottle
£28.00	£42.00

Garage wines' is a term used to describe wines that are produced in the back sheds of French winemakers, who make small batch wines of the highest quality. The backbone is Cabernet Sauvignon that brings flavours of cassis, roasted capsicum, licorice and blackcurrant, making a polished and powerful core. The roundness and soft tannins comes with Merlot. Petit Verdot adds a blue component to the blend bringing blueberries, mulberries and lavender, while the small portion of Cabernet Franc lifts up the vibrancy. ## The Laughing Magpie

500ml carafe	bottle
£28.00	£42.00

The Kookaburra is a native Australian bird famous for its distinctive laughing call, Chester's young daughters named them 'Laughing Magpies'. A classic northern Rhône blend, Shiraz with a little touch of Viognier. Very perfumed, black and red berries. A vibrant concoction. the Shiraz brings black fruits, plums, black cherries, and the small parcel of co-fermented Viognier brings stone fruits like peach and a touch of apricot.

## The Cenosilicaphobic Cat

500ml carafe	bottle
£35.00	£50.00

As a child Chester had a cat named Non Alcoholic Booze, which the family shortened to Booze when they discovered that he enjoyed red wine. The concerned Osborn family refused to let him drink it, so consequently Booze lived a frustrated life, suffering from a monumental case of Cenosilicaphobia (the fear of an empty glass). A harmonious blend of two interesting varieties, with bright acidity and lingering flavour.

## The Broken Fishplate

500ml carafe	bottle
£26.00	£40.00

Despite being a good match for fish, the name has nothing to do with them! A fishplate is a term for the nylon plates that collect grape bunches on a harvester, and often break when navigating around the steep, windy vineyards. Pale light straw-green colour. Green capsicum notes, lemongrass and green pears are pungent on the nose. The palate is citrusy, grassy and herbal with a distinct passion fruit flavour. A fresh layer of wet slate, green apple, kiwifruit and snow peas are aligned with a superb degree of acidity bringing an outstanding intensity and balance.

## Lucky Lizard

500ml carafe	bottle
£28.00	£42.00

During summer, native Bearded Dragon lizards find their way into grapes destined for the winery. Luckily for the lizards, the gentleness of our crusher allows them to pass through the ordeal slightly shaken, but unharmed. Golden delight. A charmingly beautiful scent with peach, apricot, vanilla and white spices. Flavours of nectarine, apple, pear, citrus peel, white pepper and a touch of vanilla. A deft touch of old french oak adds extra complexity and a wonderfully rich and round mouth feel.
